*Auxiliary*

## Founding Statement

The Child Abuse Prevention Council Auxiliary was founded in 1984 by a group of very caring women who became committed and dedicated to the cause of child abuse prevention, many of whom continue to belong. Our membership is composed of a very diverse group of actively involved people in our community. We hope you will become a member of this organization and assist us in our efforts to protect and save our children.

## Mission Statement

Our mission is to assist the Child Abuse Prevention Council in all the worthy programs in which they are involved. Our fundraising will, after expenses, benefit the Council. We will continue to promote awareness in the community about Child Abuse Prevention.

Please join us and make a difference in the life of a child.

- Enjoy the personal satisfaction of helping rescue children from abusive situations.
- Know that parents are learning ways to break the cycle of abuse.
- Invest in the quality of life in San Joaquin County.
